

Assisting Students in Crisis

Danger to Self

Between 9a and 5p

- Contact [Counseling Services](#)
716-286-8536

Let Kathy (office Coordinator) know that you have a student who is suicidal with you

- If Counseling Services is unavailable, contact the [Dean of Students'](#) office
716-286-8405

Let Carrie McLaughlin know that you have a student in crisis, but Counseling Services is unavailable

- If Dean McLaughlin is unavailable, contact [Residence Life](#)
716-286-8566

Let them know that you have a student in crisis, however both Counseling Services and Dean McLaughlin are unavailable

Between 5p & 9a

- Contact [Campus Safety](#)
716-286-8111

Let them know that you are working with a student who is suicidal and you need the assistance of the Resident Director on call

Provide your name, location and a phone number at which you can be contacted

Danger to Others

Between 9a and 5p

- Contact the [Dean of Students'](#) Office
716-286-8405

Let Carrie McLaughlin know that you have a student who is a danger to others.

Let Dean McLaughlin know the student's details (contact information, the behaviors they are exhibiting to indicate the student is a danger to others, where the student exhibited those behaviors, where you last saw the student)

- If Dean McLaughlin is unavailable, contact [Campus Safety](#)
716-286-8111

Let Campus Safety know that you have a student who is a danger to others.

Let Campus Safety know the student's details (contact information, the behaviors they are exhibiting to indicate the student is a danger to others, where the student exhibited those behaviors, where you last saw the student)

- Outside of business hours, contact [Campus Safety](#)
716-286-8111

- If the student is in an **IMMEDIATE DANGER TO OTHERS**

Contact **CAMPUS SAFETY** immediately: 716-826-8111

Make a report to them on where you last saw the student, the behaviors the student was exhibiting to indicate immediate danger and where you believe the student is going

Contact the Dean of Students' office once you are ensured to be in a safe space

Reminder: For immediate, life threatening concerns, please call 9-1-1 first. Then call Campus Safety for assistance.
