

Brighton Collectibles at the Galleria Mall in Buffalo, NY, would like to take a moment to thank Dave Taylor and Brittany DePietro of the Levesque Institute and Jackie Freeman in the Learn and Serve Office at Niagara University for giving us the opportunity to partner together with Soles4Souls. Soles4Souls is a non-profit organization that Brighton has teamed with annually to collect shoes for the less fortunate. Niagara University made it possible for Brighton Collectibles to collect 20,000 pair of sandals.

This year alone Brighton Collectibles collected over 200,000 pair of shoes. Our goal was to collect 100,000.

I will be traveling to the Dominican Republic in August, 2015, along with co-workers, to distribute a great number of these shoes, allowing me to help those in need.

I cannot thank those who helped enough for your contribution to this fundraiser.

I am looking forward to this amazing opportunity.

*Sincerely,
Patti Lysiak
