

Niagara University in Havana, ***Fidel on Campus***

An Art Exhibit and Panel Presentation

Please join us on Thursday, November 3 at 6:30 PM in Niagara University's Castellani Art Museum for the opening of *Fidel is Fidel* and to hear Niagara University students and faculty discuss their travels to Cuba in May 2016

Roberto Chile's poignant exhibit is a dignified documentation of Fidel in the later period of his life. It is currently being shown around the world and is scheduled for exhibits in Los Angeles, Tijuana, Chicago, Washington D.C., Tucson, Atlanta, Baltimore, and Lewiston NY. The event is co-sponsored by the International Committee for Peace, Justice and Dignity.

For two weeks in May, Niagara University students participated in a faculty-led intensive field-based research course in Havana, Cuba. They will share

stories, reflections, photographs, and their research. The trip was a life-changing experience for many of the students... come learn why!

This event is free and open to the public! Questions can be directed to Dave Reilly at dreilly@niagara.edu.
