RADIOLOGICAL HAZARDS**

*symposium*

**PERSONAL PROTECTION**

WORLD LIFE INSTITUTE

CENTER OF EXCELLENCE

# Current Nuclear Risks and Radiological Hazards

How can we prepare  
for personal and  
family protection?

# FREE SYMPOSIUM

**Saturday, June 2, 9:30 am to 11:30 am**  
**Lower Level Gallagher Center - MPR at NU**  
**Refreshments will be served**

**Hosted by:** Border Community Service of Niagara University in conjunction with Global Nuclear Awareness program of World Life Institute's Center of Excellence

**Speakers:** Tedd Weyman & Paul Zimmerman

This special presentation will explore current local and global threats and the knowledge needed for personal and family protection.

The Niagara County Department of Health will be on hand to demonstrate radiation detectors.

**RSVP:** Please E-mail Terri Mannarino at [tmannarino@niagara.edu](mailto:tmannarino@niagara.edu) for information and to register today.
