

2019 United Way Challenge!

Give a Little. Change a Lot.

We will be kicking off our United Way Challenge Campaign beginning, Friday, November 1st. Have you heard of the United Way, but not sure what they *really* do? Please take a moment to see what the [United Way of Greater Niagara](#) is all about and how they are making a difference in our communities.

The United Way of Greater Niagara invests in programs that focus on education, health and income that deliver measurable results to improve our community. From children to senior citizens to victims of domestic violence, your investment in the United Way of Greater Niagara helps fund over [25 program providers](#) that offer programs and services throughout Niagara County; Niagara University's [Books, Balls, and Blocks](#) children's program is one of them. Without the United Way, these wonderful programs and providers would not be possible. By donating today, you can help change the lives of over 70,000 people a year in our own community.

How can I make a donation?
