

Come to a talk by **Jake Conroy**, one of the individuals featured in Joaquin Phoenix's new film, **THE ANIMAL PEOPLE**. Learn about the **silencing of dissent in America** and the **criminalization of free speech**. For Jake Conroy, fighting to end cruelty to animals and winning back their rights included rattling the institutions of power through activism, which had severe consequences.

Thursday, February 20th from 2-3:30
Niagara University Lower Level Gallagher Multipurpose Room
