FAMILY MATTERS
as NU THEATRE presents
Shakespeare Unwrapped: A Family Drama

30 SECOND RADIO SPOT

Announcer: Royal families have it made, right? Well, maybe. But Shakespeare tells us that his royal folk are just as prone to dysfunction as the rest of us...with higher stakes.

Join NU Theatre virtually, **Oct 1 – 4**, as we glimpse into the family dynamics of some of the bard's most provocative and fascinating characters in this Shakespearean montage, curated and developed by Valerie Doulton, directed by Valerie Doulton and Josie DiVincenzo.
