What is eviCore EAP?

eviCore EAP is a benefit provided by your employer to help you address stressful situations. Some personal issues can impair your workplace performance and seriously impact your health and well-being. eviCore EAP will provide you with an opportunity to resolve these issues and maintain a healthier you.

EAP

Our network of professionals is available to help you and your family with:

- Anger management
- Communication
- Co-worker conflict
- Grief and loss
- Relationship and family issues
- Workplace performance

We do this by providing:

- 24/7 Telephonic Support
- Face-to-Face Counseling
- In-person Trainings
- Online Seminars
- Onsite Crisis Intervention
- Telephonic Stress Management

REFERRAL SERVICES

If you require services outside of your EAP Benefit, we can help with a wide range of treatment and referral options for:

- Alcohol and drugs
- Mental health
- Legal and financial education
- Child and elder care

CONFIDENTIALITY

eviCore EAP knows that without adherence to strict confidentiality, services can be compromised. Information concerning your use of eviCore EAP will not be given to anyone outside the EAP without your written permission, unless required by law. Questions about your confidentiality can be addressed prior to receiving EAP services.

CONTACT

If you are experiencing a difficult or stressful situation, don't hesitate to call. An EAP representative will be available to assist you in developing a plan to resolve your issue.
